

Simon Education

When you start you will receive:

- A welcome pack containing the school calendar
- Logon details to access the Simon Education Online Homework Support Centre.

Our Assessments

After enrolment we will assess your child's needs with a short assessment that will indicate areas of support needed. Your child will be provided with two folders. The red folder will contain books and resources that the student will work from in class and a blue folder containing homework materials.

Our Method - The Simon Education Method

The Simon Method is a holistic approach to learning which focuses on developing the whole child whilst also supporting the family by helping them to improve the home learning environment. We therefore also provide parenting courses entitled, *How to Unlock Your Child's Genius* and *How to Unlock Your Family's Genius*. In addition all students undertake work in Cultural literacy.
